THE TWELFTH ANNUAL REPORT OF THE S P K A, BANGALORE CITY

ENDING DECEMBER 1947

The Society for the Promotion of Kindness to Animals was started in the year 1939 and has a record of 12 years of service to the Public carried out under great difficulties The year under report has been on the whole one of progress and encouragement

The main item of work undertaken by the Society is the maintenance of an Infirmary where shelter and treatment are given to needful animals of all descriptions The other is the punitive work wherewith the Society's Staff tried to prevent cruelty to animals and the offenders are prosecuted

There are eight daffedars and one chief Inspector on the Staff

Cases reported for the year under report		3985
do	warned	911
do	convicted	2803
do	acquitted	70
do	pending	201
Total		3985
Total No of cases remanded to the Infirmary		1893
do	died	163
do	handed to the Society's care	187
do	returned to owners after treatment	1043
		1893

The work has considerably outgrown the capacity of our small staff to carry on in a growing citylike Bangalore The addition of mere staff and revision of the present system so as to have night shifts and larger Staff for day shifts in large areas is necessary for work to continue satisfactorily

It is gratifying to note that the Public are co operating with the Society in a larger measure by reporting cases of wounded animals on roads and cruelty etc to the Society and thus helping our work and giving relief to number of dumb animals

The education of the public especially the youth in developing their sense of duty towards dumb animals and treating them with

consideration and kindness requires a special course of lectures to be arranged especially to the studente of both sexes in schools a colleges and the distribution of literature as the subject

The Municipality has granted on perpetual lease nearly 2 acres of land adjoining the Infirmary where we have planned to put up sheds store rooms and an S P K A Office This will cost it is estimated about Rs 10 000/ and it has been decided to collect the necessary funds So for no progress has been made in this direction However we are in the hopes of being able to enlist public support at the present time when there is so much evidence of a spirit of charity in aid of many deserving causes We earnestly appeal to our generous minded friends to please come forward and help in this very desirable and charitable cause

The Committee met three times during the year

The number of subscribers has increased slightly during the year

The Hon Sec Mrs A S R Chari attended the Annual Meeting of the All India S P C A held at Madras on 27th Sept 1947 representing the State

The Veterinary Dispensary (of the Civil Vety Dept) located in the Infirmary premises is working very satisfactorily and is a great boon to the public of that area

Special Activities

Useful propaganda was done to prevent animal slaughter and a large number of useful cattle meant for slaughter were saved At the request of the Military Authorities home less dogs found near the camps were rescued and homes found for most of them The society has the following cattle at Kumbalgud

Cows	43
Bullocks	21
Buffaloes	11
Calves	19
Total	94

Owing to the high cost of fodder and other expenses our expenses have gone up tremendously and we are unable to meet

The cost with the present income Our ambition to build a Gorakshanasala has not yet materialised but we hope to be able to put it up in the coming year At present the cattle are in houses belonging to various villagers An application has been made for an enhanced grant from the Government in view of the greatly expanded activities of the Society and humane work done by it Orders are awaited

The Society received much help from many officers of the Government especially the Police Veterinary Department Boy Scouts and the S P C As Civil Station and All India We offer to them our grateful thanks for their assistance

We are grateful to H H the Maharaja of Mysore for continuing the annual grant of Rs 200/ and to the Government of Mysore for continuing the annual grant of Rs 1720/ and to the City Municipality for the grant of Rs 500/ We thank the Bangalore Race Club for the grant of Rs 200 We thank the All India S P C A for their continued interest in our work and for the grant of Rs 100/ A statement of accounts is appended We thank our sympathisers and donors and members of the Executive Committee for their service to the Society We also thank the Marwari Associaltion for their ready help ever rendered
